TOGETHER – Lyrics only

You're telling me bad news
Every night
Why don't you take time
To show me some light
We're discovering new things
Every day
Shine like the sun
Push Darkness away

Sunrise every morning, stars fill the universe
Laugh or fight together, it's up to us, it's up to us
I want you here with me and if luck goes our way
We'll be stronger together, me and you, day by day

Looking after each other
And the planet we're on
Together we'll dream
To repair all that was wrong
We'll no longer focus
On the negative things
With voices together
What joy we could bring

In this Garden of Eden, in peace and tranquillity
Living life together, it's up to you, it's up to me
I want you here with me and if luck goes our way
We'll be stronger together, me and you, day by day

Life continues endlessly, fate is ours to make
The choice lies here before us, so will we love, or will we hate
I want you here with me and if luck goes our way
We'll be stronger together me and you day by day

CODA

I want you here with me and if luck goes our way
We'll be stronger together, me and you day by day
