

# SCENT OF SUMMER

---

Golden sunset shimmering  
First time colour blind  
Always falling  
Scent of Summer

Running riot through dreams  
Is second nature so it seems  
Always falling  
Scent of Summer

You always made us two  
You never let it fail  
Now destiny is blowing  
Scent of Summer

Fear hiding under clouds  
Safe haven never found  
Drop your anchor  
Scent of Summer  
Always falling  
Scent Of Summer
